#### Loomis Mine.

The Loomis mine, as it is generally white chalk-like walls yield \$5. They tions. have now between 400 and 500 tous in sight and a large pile already sacked on the dump. They are anxious to get sending an agent over to look at the property with a view to making arrar/;ements to work all the ore for them. The owners are sure they have valuable mines and expect soon to begin to realize handsomely from them.

#### Dr. Bergman.

This gentleman is one of the aldest and most successful practitioners in busy attending to the calls of his numerous patients, and the work he is tom from all points. The proprietors called upon to perform in his capicity are always on hund to serve patrons and as Railroad Surgeon for the Truckee and Johnson-there's nous like him-ts the corner of Commercial Row and goods received twice a week and sold at Humboldt divisions of the Central Paperning to deliver goods. New goods Virginia street. He deserves a vote of New York prices at Sol Lovy's dry citie. He has been very successful with received daily and all of the best brands, thanks. all cases which have come under his constantly on hand. treatment, and in the past ten years has effected some wonderful cures, and performed some of the most difficult surgical operations known to the profest nami-annual (June) settlements with you. he has acquired a competency from his or a decreese of 60,618 85. Of this sum regular practice, he oftens ministers it is believed that \$55,000 is a loss from of reward.

### Need them Badly.

Reno should have several mills and farnaces to work ore. Around this year, town there is enough mineral to keep several custom mills or furnaces running all the time, thus developing mines, giving employment to han had; of idle men, making money plentiful and securing a senson of prosperity to all. Farther than this, we understand this the talented ladies did not throw the mills working again? that the V. & T. R. R. will bring Comstock ore here for \$1.59 per ton. If this is a fact much ore would come salves last night. They go East from twenty-live cents. from over there and outside money Le here. drawn to u.s. A better field for investment could not be found than the one indicated.

# Webster & Rankin.

This firm always have their hands full is known to all, and we do not wonder pector in this vicinity. that his friends have entrusted their business to him. We have ever found him his fees. His associate, Mr. Ruskin, is new residence of J. I saws, in the West-through a "nig city," like the one he old men for advice and young men for relations and will prove a pleasant homefor him, and will prove a pleasant homefor him, of Webster & Rinkin can rely on a Social Dance.

The Teuckee people who are coming Montreal. It seems like hoping against doubtedly sells

Remarkably Small Child. On Tuesday last Mary Florence Simmons died in Rano. She was a bright child, but was the smallest of her age in town. She was one year and seven months old and weighed seven pounds. School Fund, \$185 08. The above In fact the little thing was hardly more than a shulow. Too coffin in which several school districts of the county her body was enessed was the smallest we have ever seen. But her death has made one home disolite, and fort hearts weep for her just as if alle weighed four times as much.

# County Vault.

The workmen are putting in the new van't for the use of the County Recorder. The floor is laid and they are at work on the walls. The fronts have arrived. They are large and substantial An opportunity is now offered to all and beautifully ornamented. The vault who desire to test their ore by mill will be a fire one, and just what the process. county needs. While the work is being done the Recorder is occupying the The Carson Appeal takes half a Commissioners roo'm and the A ressec-

The report that Mrs. A lolph Sutro with a rad necklie who was to be her has instituted for a divace, is finly husband, and that they went to Carson denied by the counsel who is in some way connected with the Satts affair.
